MEET OUR DESIGN COLLABORATORS

MAT SANDERS

Referencing the brasseries of Paris, Danish modernists, and of course his California casual approach to luxury living, Mat Sanders x Studio M presents a lighting collection that transcends both modern and traditional aesthetics by playfully mixing modern minimalism and elements grounded in classical forms.

NINA | MAGON.

Understanding the needs of high-end interior designers working in the residential, commercial and hospitality sectors, Nina Magon's forward-thinking approach to design has delivered modern lighting creations that are strikingly refreshing and uniquely sophisticated.

WE INVITE YOU TO PREVIEW
OUR VARIETY OF DESIGNS

ARTISTRY IN APPLICATION

The STUDIO M collections offer unsurpassed luxury lighting by upgrading the interior design world through current innovations and working with suppliers who provide the same quality materials to businesses like Coach and D&G. The inventiveness of STUDIO M unlocks the potential of materials we use like leather, perforated metals, natural stones, and multiple styles of glass finishes which is shown through our products.

The materials used by STUDIO M are sourced around the world. These materials have allowed STUDIO M and our Collaborated Designers to produce numerous award-winning fixtures.

ABOUT US

By and for the design community, Studio M is a renowned lighting resource. We provide a large selection of decorative lighting options, including both indoor and outdoor lighting, ADA-compliant wall sconces, integrated LED technologies, and architectural lighting with a variety of voltage inputs and even color temperature requirements.
