

PRODUCT DESCRIPTION

We took this popular collection and made it better. We took the xenon bulb out of the middle and enclosed a LED module in the cast Polished Chrome cap that supports the clear bubble glass balls. The glass screws into the cap so there are no visible screws for a very clean look.

Technical drawing of the Orb II fixture. The front view shows a circle with a diameter dimension of 6". The side view shows the fixture's profile with a height dimension of 6.5".
