TRANCE

Minimalist in design but loud in its statement, oval frames in Natural Aged Brass illuminate floating dichroic glass panels. Subtle iridescent hues become more vivid as the panels layer adding a colorful element to the design. Intentionally designed with various dimensions for the panels, they can be fixed together in polygonal configurations, or simply free-float on the thin low voltage cables that suspend each frame.

SM24885

SM24885 • Pendant

102W LED DC (integrated)
17.75"D x 39.25"H, 160" Max OA
Canopy: 16.25"D x 1.5"H
3000K, CRI 90+, 4800 lm

Available in Dichroic Panel
w/ Natural Aged Brass(DCNAB)

DREAMER

Drawing inspiration from her acclaimed “Dreamcloud” experiential design at Art Basel Miami, Nina Magon reinterprets her otherworldly installation for use in the home or hospitality project. The exaggerated curve, definitive of Magon’s lighting design, suspends iridescent bubble-like glass forms that appear to float across channels of LED illumination. Available in Heritage Brass and Gunmetal finishes, this Dreamer pairs perfectly with coordinating finishes in the Nina Magon lighting collection.

SM24934

SM24934 • 42" Flush Mount

76W LED DC (integrated)
33"D x 42"H
Canopy: 30"D x 1.25"H

Base: 4.75"W x 9.75"D
3000K, CRI 90+, 480 lm

Available in Iridescent w/ Natural Aged Brass (IRNAB)
Mirrored Smoke w/Black Chrome (MSKBC)

MEDALLION

Classic diamond facets were the concept behind the facets of the crystal shades in round or baguette rectangular frames. Just like a Medallion, they can be installed on the wall with ADA compliant extensions or onto your ceiling adding opulence to your space. The indirect LED light source is sealed within an irregularly faceted diffuser and a polished back plate creates a dazzling reflective display. Frames are finished in burnished Gold with a neutral, warm 3000k color temperature.

SM24851

SM24851 • Round Sconce

10W LED PCB (integrated)
8"D x 2.75"E
BP: 8"D, 4" HCO
3000K, CRI 90+, 360 lm

Available in Gold with Beveled Crystal (BCGLD)

SM24853

SM24853 • Wall Sconce

32W LED PCB (integrated)
7.25"W x 18.5"H x 2.75"E
BP: 7.25"W x 18.5"H, 9" HCO
3000K, CRI 90+, 740 lm

Available in Gold with Beveled Crystal (BCGLD)

LOCKET

The alluring visual effect of a milky cloud marble glass provides elegant luminosity. Backlit with evenly diffused LED lighting the fixtures resonate like a vibrant musical note. The fixture is elongated with a vertical metal spike finished in Natural Aged Brass that hugs the glass' shape as it extends in both directions. These elements end in an angle-cut edge which adds visual contrast not only in color but in feeling. The sharpness of a clasp to the softer orb of the marbling white glass. An embodiment of lighting as a jewel, the Locket evokes both the opulence and sentimentality of designer accessories.

SM24873

SM24873 • Multi - Pendant

48W LED PCB (integrated)
18"D x 24.75"H, 69.25" Max OA

Canopy: 4.75"D x 0.25"H
3000K, CRI 90+, 1280 lm

Available in Marble Glass w/Natural Aged Brass (MRNAB)

SM24870

SM24870 • Sconce

8W LED PCB (integrated)
 7"W x 24.5"H x 3.75"E
 BP: 6"W x 9.75"H, 12.25" HCO
 3000K, CRI 90+, 640 lm

Available in Marble Glass w/Natural Aged Brass (MRNAB)

LILLET

Stunning LED arrangements recreate the splendor of Art Nouveau. The biophilic forms that sparkle in this distinctive structure are made of feather-like handcrafted steel and crystal. These crystal sculptures are evenly lit by a discrete strip of LED light that follows the sculpture's undulating shape, which also adds additional ambient light below. Available in various pendant configurations and a coordinating sconce and finished in Polished Nickel.

SM23819

SM23819 • Linear Pendant

50W LED DC (integrated)
 26.25"W x 8"H x 61" L, 54.75"Max OA
 Canopy: 5"W x 1.5"H x 25.5"L
 3000K, CRI 90+, 3000 lm

 Canopy: 7.75"W x 2"H x 7.75"L
 3000K, CRI 90+, 1260 lm

Available in Beveled Crystal in Polished Nickel (BCPN) or Gold (BCGLD)

STRATUM

Clear slabs of glass a half inch thick are pressed together between two discs finished in Natural Aged Brass. As the glass approaches the center, each slab of glass increases in dimension creating a gradation of light revealing the glasses' shape and character. Dedicated LED lighting emits from concealed polycarbonate tubes evenly distributing the light source in all directions. These LED tubes terminate at brass discs supported by Dark Brown leather straps that both suspend the pendants and conceal the electrical wiring stitched within them. Elevate your lighting to the next Stratum integrating bygone modern design elements with innovative technologies and expert craftsmanship.

Available in Striae Arya with Black (ARYBK)
White Alabaster with Heritage Brass (WABCN)

GUSTO

Futuristic and full of Gusto, the capsule collection designed by Cesar Giraldo features artisanal hand-blown glass elements colored in cloud-like white infused glass or gradients of smoked grey and warm amber tones. The glasses' hand-crafted dimples refract dedicated LED lighting that highlights an undulating silhouette throughout the fixture. Diffused evenly across a thin tube of white acrylic encased within a larger vacuum of clear glass, the airy compositions appear to be floating while amply filling spaces.

Configurations include both horizontal and linear pendants, ceiling mounts, wall sconces and portable lamps sized for multiple applications. Available in metal accents finished in Gunmetal or Gold.
