ARCHITECTURAL
E S S E N T I A L S

Our state of the art Fulcrum collection of LED luminaries is manufactured to the highest standards of technology available. Comprised of sleek, architectural designs and machined out of solid stock aluminum, these pieces have applications in both residential and commercial installation. Fulcrum is a full range of products that include interior and exterior sconces, pendant, ceiling mounts, bath vanities and step lights. The line is effortlessly married into contemporary and transitional settings since it is both abundant in selections and minimalist in their design.

SCONCES

INTERIOR & EXTERIOR

Bring the outdoors inside with our line of high quality interior and exterior wall
sconces. European in design and machined out of blocks of solid Aluminum,
these sconces have both the look and quality expected for the discriminate
buyer. High powered LEDs create dramatic light effects and most are
approved for wet location applications.
