

PRODUCT DESCRIPTION

Elongated tubes of LED light are housed in incredibly small 1" diameter aluminum and suspended by nearly invisible support cables. Engineered to connect the various lengths end-to-end or with use of the rigid, angled adapters, adds endless applications for creativity and function. Each length includes a power feed within a surface mounted canopy and non-electrical support cables that standoff using ceiling anchors. The continuous run pendants in this series are a welcome convenience for commercial applications. Lengths range from 36" to impressive 96" long. Individually, the fixtures provide ample lighting downward with minimal disruption to the architectural sight lines of a space. Available in Black, White, and brushed Aluminum finishes these are exemplary streamlined forms with functional purpose.
