

## **PRODUCT DESCRIPTION**

A refined play of texture and proportion, this series juxtaposes vertically fluted aluminum housings with linear reeded glass tubes. Offered in Gold or Matte Black finishes, each form integrates frosted glass diffusers that soften the powerful LED illumination within. Designed for architectural flexibility, the collection includes ADA-compliant sconces, a minimalist stem-hung GU10 pendant, adjustable GU10 spotlights, and an additional flush mount. Universal dimming and commercial-grade drivers make it ideal for elevated residential, hospitality, or decorative commercial settings.
