

PRODUCT DESCRIPTION

Expertly fabricated metalwork constructed to support artisan craft leatherwork in Dark Brown tones. Configured to illuminate orbs of light supported at various positions, the white glass spheres cast ambient light from the included LED lamps diffused within. The hand applied Brushed Bronze finish compliments the luxurious, genuine Dark Brown leather creating a warm soft modern lighting product. Conspicuously joined together around the frame's center, the leather features eye-catching saddle stitching. An exercise in master craftsmanship, the Stitched Collection presents a playful, yet handsomely casual lighting collection that agrees with both modern and transitional aesthetics.
