

PRODUCT DESCRIPTION

A monument to the art of glass, the Megalith collection is constructed using a robust iron stem that branches off to support various panel options. These various elliptical panels are back lit with globes of white cased glass. In this iteration of the series, various glass panels are offered with retro modern appeal. Choose from award winning Dichroic glass, Amber glass, or Grey Smoked glass panels. Pair them with your choice of framework either: Natural Aged Brass, Gunmetal, or Brushed Bronze. With additional made-to-order configurations, this series appeals to a wide variety of applications be it suspended, or wall mounted.
