

PRODUCT DESCRIPTION

A seamless loop of light and metal, the Mobius loop pushes boundaries with a non-orientable surface. Encased in a hand formed etched acrylic tube a innovative, omnidirectional LED light strip brightly illuminates. Inspired by artisanal metal knot decor, the LED pendants provide both functional light and create interest in their form. Finished in Natural Aged Brass and completed with a two-tone black and brass canopy, this fashion-forward lighting sculpture is sure to make a statement.
