

PRODUCT DESCRIPTION

The Duchess collection seamlessly blends traditional brass craftsmanship with modern piastra-style Iceberg glass, illuminated by integrated LED modules. Powered by a commercially rated LED driver with 120-277V input, the low-voltage LEDs deliver a neutral 3000K color temperature. The rectangular tubing frame in Natural Aged Brass softens the contemporary aesthetic, while decorative flat-edge chain links add a touch of elegance. A dual-mount canopy offers flexibility for shorter height profiles or field-adjustable lengths with the included chain.
