PRODUCT DESCRIPTION

Contrasting louvered insets are set within Matte Black trapezoidal frames. The frames are made of Vivex so their finish will withstand harsher climates. The louvered panel insets are made of aluminum and feature a full cut-off design aesthetic making this design suitable for Dark Sky applications. An added benefit is the removal of glass altogether, adding a robust quality to the construction of the fixtures leading to longevity and lower maintenance. These wide plank louver panels complement the design's coastal styling adding interest in contrasting Weathered Zinc or White options, while the matte Black finish blends into the frame for a cleaner, more seamless approach.

MEASUREMENTS

DIMENSION BACK PLATE HANGING WEIGHT LAMPING INPUT VOLTAGE BULB BULB INCLUDED

LIGHTING_DIRECTION

: 8.5" W x 18" H x 8.75" Ext : 4.75" W x 6.75" H x 14.75" HCO : 3.41 lb

- : 120V : 60W Incandescent E26 Medium , 60W Total
