# Portcullis | SM661001BK

## PRODUCT DESCRIPTION

Not just a fan, the Portcullis FanDelight is framed within a woven metal grate pattern in a rich Bronze Gilt finish. The interior gold finish adds warmth to the candelabras that are shielded with a curved reflector backplate not to be disrupted by the circulating fan blades behind it. With a full range of fan control and Wifi-enabled, this fixture is not only attractive, but full of functional features.
