

**PRODUCT DESCRIPTION**

Inspired by the effortless motion of a board gliding across water, Surf brings coastal performance to a sleek, sculptural fan form. Two gracefully curved ABS blades extend from a sloped body, creating a clean silhouette with distinctive movement and balance. Designed for wet locations, the fan is built with marine-grade materials suited for demanding coastal applications. A DC motor provides efficient airflow, while the included hardwired 2-wire wall control manages fan speed, light dimming, and selectable 2700K, 3000K, or 4000K color temperature. Surf pairs modern design with outdoor durability.

**MEASUREMENTS**

HANGING WEIGHT :

**LAMPING**

BULB : W , 0W Total

**FINISHES OPTION**

-  Black (BK)
-  Black / Grey Wood (BKGD)
-  Black / Walnut (BKWN)
-  Matte White (MW)
-  Matte White / White Oak (MWWO)
-  Satin Nickel (SN)
