

PRODUCT DESCRIPTION

Stream distills quiet luxury into light. First developed in Berlin by Stefanie Hering, the design is elevated by Studio M's advanced LED engineering. Masterfully crafted porcelain shades are offered in three sizes and multiple configurations, from refined singles to modular cascades. Each pendant provides a serene ambient glow, with single pendants also featuring a dedicated LED downlight. Finishes include Bisque Matte White, Ombre Gradient achieved through a burnt-fire technique, and Pulse, a hand-applied concentric relief that showcases Hering Berlin's material mastery.
