

PRODUCT DESCRIPTION

Rugged Brown leather shades are stitched and snugly fit over softly angled conical forms to create a rustic and warm lighting resource. Sturdy bases of cylindrical Distressed Wood adds a natural element with countryside appeal. Adjustable joints on the portable floor lamp and swing arm sconce allows you to direct the lighting where needed for function while the pendants glass-backed shade reveals the leather's delightful natural qualities with a glow from the lamp inside. An additional switch on the sconce provides functional convenience to the design.
