

PRODUCT DESCRIPTION

Direct the light exactly where you want it using the articulated arms and metal shades of the Library series. At the backplate, the arm pivots left/right and up/down to direct the light. Additional articulated arms angle the shade or extend/contract the distance of the light source from the wall. Available in Polished Nickel, Black and Heritage Brass finishes, the Library collection evokes industrial era classicism perfect for use as a task light or accent light. Complimentary table and floor lamps complete the collection.
