

PRODUCT DESCRIPTION

In an approach distinctly found in the works of Nina Magon, the New Age portable desk lamp presents a familiar, yet unusual shape made up of combined luxurious elements. A curved slab of brushed metal in Gunmetal or Bronze cuts away to showcase a somewhat translucent natural stone and uniquely positioned white glass globe shade. Choose from a combination of Brushed Gunmetal and Striae Arya, composed of recycled marble and glass, or Brushed Bronze with Spanish Alabaster. These portable lamps are operated by a 3-step touch dimmer at their base and LED lamps are included.
