

# PRODUCT DESCRIPTION

An airy arrangement of abstract forms, the Rinkle pendants feature sheets of transparent acrylic shaped by hand. The light guided acrylic captures the glow of energy efficient LEDs recessed within strips of shining stainless steel, obscuring the source of illumination. Delicately suspended by a series of thin wires, the pendants appear to be floating in an adjustable configuration of weightless light sculpture. Available in Polished Chrome, French Gold, and Brushed Gunmetal, its unique design adds a showstopping element to interior spaces.
