

**PRODUCT DESCRIPTION**

Bramwell VX captures the timeless presence of a grand coach lantern with a design rich in architectural detail. A tall, sweeping hood accented by decorative rivets crowns the stately silhouette, while textured Clear glass adds depth, character, and an authentic handcrafted appearance. Constructed from Maxim's proprietary Vivex composite material, Bramwell VX is engineered to withstand harsh coastal environments, extreme temperatures, and years of outdoor exposure. Finished in Black Patina, the collection offers the richness and dimension of aged metal while coordinating effortlessly with today's black exterior hardware and architectural accents.
