

PRODUCT DESCRIPTION

Slim and modern in design, the Workshop strip light is made for commercial and industrial applications. Ideal for stairwells, hallways, utility rooms, storage, garage structures, offices or Shop lighting applications. With an integrated 4CCT Select switch, toggle between 3000-5000k. Not just CCT Selectable, this model features a wattage selectable switch allowing you to control the brightness of a space and its electrical usage. The aluminum housing is anti-corrosive and powder coated in a neutral white finish to offer abundant illumination with a subtle appearance.
